Acústic Celler

D.O. Montsant

Acústic Celler is rooted in the rugged landscapes of Montsant, where old vines and organic farming define its pure, “acoustic” philosophy. Working with 54 hectares of vineyards—42 of them estate-owned—the winery draws on parcels aged 25 to 95 years, planted between 300 and 700 metres across a patchwork of clay, sand, pebble and slate. These varied soils shape distinctive expressions of Garnacha, Garnatxa Blanca, Carinyena and Pansal, grown alongside centuries-old olive and almond trees that mirror Montsant’s harsh Mediterranean beauty. ***Acústic’s approach emphasises low yields, minimal intervention and terroir clarity, allowing each site—from Els Guiamets to El Masroig—to speak with precision.*** Recent plantings at Finca l’Hostal reinforce a long-term commitment to sustainable growth while preserving the area’s natural balance.

At the centre of the project is winemaker Albert Jané, a fourth-generation vintner whose roots trace back to his family vineyards in **El Vendrell**. Since founding the winery in 2003 within a 200-year-old cellar in Marçà, he has championed a philosophy inspired by acoustic music: wines crafted without cosmetic manipulation, guided by authenticity and emotional resonance. Jané leads the team through hands-on organic practices that honour local heritage while driving a modern vision of purity and minimalism that has earned Acústic Celler international recognition.

Acústic Celler- Top Wines

93-95 / Auditori Red Grenache

Auditory Origin is a 100% Garnatxa wine from old vineyards (70-90 years) in Marçà, Capçanes and Cornudella del Montsant. Crafted with hand-selected harvest, 15-day maceration and 12-month aging in lightly toasted French oak barrels. Unfined and unfiltered to preserve natural expression. The wine's philosophy connects ancestral wisdom of old vines with a sense of acoustic harmony, evoking the peace of listening to music in an auditorium. Diverse soils (stony, sandy, clay) and altitude (300-700m) provide exceptional purity and finesse.

Spiritual balance with floral cassis, blueberry aromas. Full-bodied, earthy black fruit, superb minerality, silky tannins, saline finish. Seductive purity and nectar-like fruitiness.

93-95 / Auditori White

Auditory Origin white is a landscape wine from three exceptional old vineyards: Garnatxa Blanca 76% (1940), Pansal 19% (1936), and Macabeu 5% (1952). Cold maceration at 8-10°C preserves varietal expression. Fermented in cement eggs, 1500L French oak foudres, and 400L barrels, then aged on lees for 10 months. The wine evokes spiritual peace and emotional balance, like experiencing acoustic music in an auditorium. The label symbolizes an amphitheater representing depth, space, and universal philosophy.

Intense color, citrus and Mediterranean herbs (fennel, thyme), creamy notes from lees aging. Rich, powerful, fresh palate with citrus, spice, creamy texture. Long finish reflecting Montsant's old vines and rugged terrain..
